Dear Erie County Technical School,

Thank you for accepting me into your program. I am so excited to learn more and excel in Culinary Arts. I can't wait to get started. Also thank you for inviting my parents and I to your free dinner with the teachers and the other new students. I think it is a great idea to bring all the students together before the new year starts. Thank you again for all of this and I can't wait to see you on April 26.

Your New Student,
Jordan Curtis
