Finance Manager's Report

August 2017

2016-2017 Audit and Form 990

The Foundation's June 30, 2017 audit has been completed, along with the IRS Form 990. Once approved by the board, the 990 will be electronically submitted to the Internal Revenue Service by the auditors. Copies of these reports, once approved, will be available for public inspection and placed on the website.

EITC Renewal Application

The 2017-2018 EITC renewal application is still in a holding status waiting for approval by the DCED. Since the DCED will need to determine the available tax credits once the State's 2017-2018 budget has been approved, no further updates are available.

Career Street School District Membership Dues Invoicing

Annual school district membership invoicing for Career Street will be prepared and mailed to the districts toward the end of September. One invoice to cover the full year's membership dues will be sent to each participating district at that time.
