Dear Rob Eggleston and the American Federation of Teachers,

I am writing to thank you for your generous \$750 scholarship. I was very happy and thankful that I was the recipient of it.

I'm currently an Electrical Engineering major at Rochester Institute of Technology (RIT). I'm in my first year, and after graduation am hoping to further the progress of technology utilizing my degree. Because of you, I am one step closer to that goal.

By awarding me this scholarship, you have eased some of the financial burden of going to college, and doing so allows me to focus more on my schoolwork. Thank you, and I hope that one day I may be able to help others in my community as well.

Thank you again,
