December 2017

2017-2018 EITC Approval

The 2017-2018 EITC renewal application has been approved for the Career Street program.

At the end of November, an online application for EITC funding was submitted to Erie Insurance through their portal for consideration for EITC funding in early spring 2018.

Last week PNC Bank hand delivered a check for \$1,000 for the EITC program to the Business Office.
