Dear Joint Operating Committee members,

Please accept this letter as notice of my retirement from the Erie County Technical School. My last day of work will be February 2, 2018. In January 1997, you provided me with a personally and professionally rewarding opportunity to serve both adult and high school students, our participating school districts, and the greater Erie business community. The delights always exceeded the trials.

Allow me to encourage you to look forward to working together in my new role as the Dean of Erie Operations with the Northern Pennsylvania Regional College.

Sincerely yours,
