Dear Mr. Tarasovitch:

As part of our Distinguished Donors program, each year, the Community Blood Bank randomly chooses 10 high schools to receive \$500 grants.

We are happy to inform you that Erie County Technical School has been chosen as one of the 10 recipients for the 2017-18 school year! Enclosed please find a check in the amount of \$500.

Erie County Tech collected a total of 140 units of life saving blood during the school year – these donations impacted the lives of over 400 patients in Erie County!

We have enjoyed working with Erie County Tech this past year and look forward to future blood drives!

Any questions, please let me know.

Thank you,

Deanna Rosenthal
