

Dear JOC,

I wanted to take a moment to thank you for the opportunity to go to Atlanta and become certified in Sunlights Balayaging. I know you probably don't know what that means, but it is a huge advantage to my Cosmetology students and for Hairdressers in our Community. I can now provide education to not only our students but other professionals in our industry. This provides ECTS

Cosmetology with networking opportunities and I can't wait to see how it grows our programs quality and placement.

Thank You Again!
