To whom it may concern,

I am writing to announce my resignation from Erie County Technician School, effective from this date 8/30/17.

This was a difficult decision to make for me; ECTS has opened your doors to me and gave me a warm welcome and a helping hand. I enjoyed my time that I was here; however there is an opportunity for full time at Corry Area School District that has benefits and paid masters. Please let me know how I can help during this transition. I wish you all the best as the school year continues on.

Very Respectfully,

A handwritten signature in black ink, appearing to read "D. J. Scutella", with a long horizontal flourish extending to the right.
