Career Street School District Membership Dues Invoicing

Annual school district membership invoicing for Career Street will be ready to mail to the districts by the end of this week. As has been done the past several years, only one invoice to cover the full year's membership dues will be sent to each of the participating districts.

Website RFP

The Career Street website RFP was issued and posted on the Foundation's web page. Several inquiries have been sent to my email by developers requesting the specifications. The responses are due by 4:00 p.m. on Friday, September 29th.
