

Professional Advisory Council (PAC) Meeting – Friday, September 1, 2017

Submitted by Kenneth A. Berlin, M.Ed.

Attendance: Fairview, Fort LeBoeuf, General McLane, Girard, Harbor Creek, Iroquois, Millcreek North East, Northwestern, Union City, Wattsburg

Pennsylvania Economy League (PEL) Report – Phase I

The superintendents discussed this report and noted that is Phase I of II. Phase I addresses demographics and capacity. Phase II will address economics. The superintendents will be compiling input regarding the Phase I draft as well as expectations for the Phase II report.

Funds Held in Trust for Districts – Invoices & Payments

The superintendents reviewed the general flow of invoices and payments:

- Invoices come to the Superintendent Study Council for review and approval/disapproval.
- If approved, invoices are placed on the Foundation Agenda for payment consideration.

Alternative Education Program Costs

Dr. Jackson reviewed finances of the Career Alternatives Program for the 2016-2017 school year. The program operated at a \$10,000 loss. As a result, the daily rate is being increased from \$80 to \$84, which should bring it out of the red. Millcreek School District indicated they might have a need to utilize the program more.

Math Credit at ECTS

The program is up and running and the students are responding well. ECTS is currently searching for an additional math instructor to complete staffing of the program.
