MEETING DATE: April 25, 2019

SUBJECT: Scholarship Financial Support

SUBMITTED BY: Joe Tarasovitch for the Scholarship Committee

DESCRIPTION:

Over the past several years, the ECVTS Foundation has generously supported ECTS students with scholarships and awards. The scholarship funds have been utilized in award increments ranging from \$750.00 to \$250.00 for each student selected.

Although the interview and application process for this year's scholarships are still in progress, the Scholarship Committee would once again like to request the Foundation's consideration for \$3,000 for this year's awards.

RECOMMENDATION: Motion to financially support the ECTS Scholarship Committee's request for \$3,000 for scholarship funding.
