Event Description: 3 Spa Nights and a trip to Breviller Village to perform manicures on the residents, and a possible Serve Erie community service day

Date(s) of Activity:

Spa Nights – October 30th, December 11th, February 12th

Breviller Village date to be determined – most likely mid May, it will depend on Brevillers
Serve Erie- TBD

Needs

Goal of Activity

Spa Nights have been found extremely educational in cosmetology for multiple reasons;

1. Students learning time management on taking back-to-back appointments, something they cannot do during the school day but will be expected to do in the industry.
2. Placement of students in salon positions has taken place with considering salon owners and managers have come in to get services done and recruit.
3. Anyone can come in including community members though it's an excellent opportunity for parent involvement in their student's education. Not all parents can receive services during the day so this allows family and friends to come in and see what their student is learning in cosmetology.
4. I have also found a favorable report with parents since I am seeing them throughout the school year, leading them to feel more comfortable to reach out to me if needed.

Breviller Village is an Activity I like to do with the students to teach them about serving the community by using your skill and talent.

Serve Erie- I want my students to be aware of the organizations around our community that they can get involved in helping better our community, I believe a project through serve Erie would be a great asset to my students well-rounded education.
