Dear, Ms Tatalone

Please accept the donation of two scan tools for the Adult night classes. They were used in the past for hands on classes taken by professional technicians and are no longer needed by us for that purpose.

The serial numbers on the tools are A0HGSW1113001507OT for the Genisys Touch and MFE25776904 for the Genisys System 2. These will both support the students with pre-OBDII and early OBDII vehicles.

Warm regards,
John Gillespie
