

Supervisors of Instructional Support Services Report

June 2019

Sandy Carr and Patrick Holland

Curriculum Development

At the end-of-the year meeting held June 7th, we recognized programs that met or exceeded the state expectations for students' NOCTI/NIMS scores. Programs that achieved the goal of 83% or higher with Advanced *and* Competent scores received a **Commended Program** certificate:

- Automotive Technology
- Computer Programming
- Culinary Arts
- Electrical Engineering
- Electronics
- Graphic Communications
- Health Assistant
- Precision Machining

Programs that achieved the goal of 83% or higher with their Advanced scores earned a **Distinguished Program** certificate:

- Art & Design For Business
- Auto Body Repair
- Computer Networking
- Construction Trades
- Cosmetology
- Diversified Occupations
- Early Childhood Education

Summer Curriculum Work - Fifteen instructors participated in our summer curriculum development work held from June 10-17. Projects included updating/adjustment of Scope and Sequence Charts, and Syllabi, developing and updating crosswalks between Scope and Sequence Charts and Program of Study.

Special Education

End of the Year Report Cards - Sandy and Pat sent out the fourth quarter grades, for all students with Individualized Education Plans (IEPs) and Section 504 Plans, to our home schools' special education staff and guidance counselors. The fourth quarter percent of success for our student with disabilities is 89% and 98% success rate for the complete school year.

Instructional Aide Evaluations- Pat completed all of the instructional aides' end-of-year evaluations. All of the instructional aides have shown a variety of professional growth in this school year.

Enrollment Update - Currently of the 308 newly admitted ECTS students, 76 students are identified as students with some type of disability. Students with disabilities make up approximately 28% of our 2019-2020 student population.
