Mr. James Bucksbee
President, Board of Directors
Erie County Vocational-Technical School Foundation
8500 Oliver Road
Erie, PA 16509

Dear Mr. Bucksbee:

I am writing today on behalf of the Greater Erie Community Action Committee (GECAC) which serves as fiscal agent for Erie Together. By way of this letter, I am expressing Erie Together's interest in and willingness to accept the Career Street program, inclusive of all Career Street-related assets, physical and intellectual property, effective June 30, 2019.

Erie Together looks forward to working with the Erie County Vocational-Technical School Foundation over the coming months to successfully facilitate this transfer. To that end, my Vice President of Operations may be reached at gdelfreo@gecac.org or 814-870-5402. If you could provide her with the most appropriate ECVTS Foundation contact with whom we should work to transfer the program, we will begin the process. Thank you very much.

Sincerely,

Danny J. Jones
Chief Executive Officer
