

February 25, 2019

Dear School Board of Erie County Technical School and Director Fred Walker,

Please be advised that I have submitted a letter of my intent to retire from General McLane School District effective June 7, 2019. That will include my position with ECTS as a consultant nurse also effective June 7, 2019.

I have enjoyed my involvement with ECTS, and working with Linda, over the years and appreciate the support you provided.

Sincerely,

A handwritten signature in blue ink that reads "Laurie Swanson". The signature is written in a cursive, flowing style.

Laurie Swanson
