

PROPOSED AGENDA ITEM

MEETING DATE: October 25, 2018

SUBJECT: Transfer of Combi-oven unit to Girard School District

SUBMITTED BY: Terri L. Birchard

DESCRIPTION: ECTS had been awarded a Combi-oven unit through a PDE Food Service Equipment Grant during the 2016-2017 school year. This equipment was awarded for use in our school lunch program. According to the USDA who passed this funding through to PDE, since ECTS no longer administers a school lunch program, the unit must be transferred to a district which operates an active school lunch program.

Girard School District had applied in this year's PDE Food Service Equipment Grant for a similar unit for their school lunch program. Based on PDE's awareness that we had a unit that needed to transfer to another school lunch program, Girard's application was denied under the expectation that our unit could be transferred to the Girard School District's program.

RECOMMENDATION: Motion to approve the transfer of the Combi-oven unit acquired through the PDE Food Service Equipment Grant to Girard School District
