

ECTS -

I wanted to start by thanking you, First, thank you for this generous scholarship, I am thrilled to begin my secondary education at Edinboro. Secondly, thank you for 3 amazing years. I am so grateful for the education I recieved at ECTS as it has already oppened so many opportunities for me.

I'm sorry it's taken me this long to turn this in, but I only recently recieved my schedule.

Thank you again!

Sincerely,

 Katelyn Whitman
