

September 20, 2018

Thanks you for the opportunity to work at Erie County Technical School, I enjoyed my position very much. I would have liked to stay but I received a full-time job with benefits elsewhere. Thanks to Del VonVolkenburg, Travis Woodburn, Sandy Carr and Natalie Fatica for their help as an employee of Erie County Technical School. Please accept my resignation effective September 21, 2018.

Sincerely,

Jared Keyes
