

Book	Policy Manual
Section	200 Pupils
Title	Student Accident Insurance
Number	211 - Delete
Status	From PSBA

-This policy has not been included in the draft policy manual. PSBA recommends deleting this policy because the school entity's practice in providing student accident insurance may change on an annual basis. The provision of such insurance is considered "practice" rather than "Committee policy". Policy 123. Interscholastic Athletics contains a general statement regarding student accident insurance.
