

Career Planning Coordinator Board Report Sept 2019

Career Planning

- New Career Artifact folders have been delivered for the level one students.
- All students have been entered into the WIN system. We are waiting for the WIN support to complete the process of placing them in the correct classes.
- Occupational Objective Forms have been distributed to all students and waiting on approx. 20 students to be complete.

NOCTI

- NOCTI pre-testing is planned for Sept 24-25.

Advanced Training Day

- Advanced Training Day is planned for Wednesday, October 3rd.
- Over 70 colleges, trade organizations, employers and military representatives were invited to participate in this event. Presently, we have 42 responses with 38 organizations attending.

Activities & Awards

- Lorenzo Marefka from Penn College of Technology presented on Sept 18th to over 400 students in 13 different labs.
