

## ***Business and Industry Partnership Coordinator's Report***

### ***August 2019***

**AYES and Co-op Update:** Since the end of the 2018-19 school year 43 visits/observations/etc. have been made to AYES or Co-op sites to date. Currently there are 58 students on the Co-op, Intern or shadowing lists. These range from the beginning procedures to being out on the Job.

**October 14, 2019, OAC Meeting Progress:** 390 invitations had been sent to existing OAC Members for our breakfast and meeting. The menu, member gifts, etc. are being prepared with the invaluable help of our Secretaries Pam Pence & Pam Lasher and Marla & Courtney of the Nutrition Group.

**Meetings, Presentations, Trade Shows, etc.:** Numerous meetings have been conducted with Support Staff, Potential Employers, etc. Many Co-op, Internship and Shadowing presentations have been made during In-Service and to ECTS Labs. Trade Shows and meetings with individual Employers have been attended with significant success. Continued attendance at Meetings, Presentations, Trade Shows, etc. is planned.
