

Book	Policy Manual
Section	700 Property
Title	Faxing of Documents
Code	715 - Recommended to Retire
Status	From PSBA

-The original CTC policy, 715, Faxing of Documents, has not been included in the draft policy manual. Draft polices are broadly drafted in an attempt to account for changes in technology. The original CTC policy is very specific to a limited range of technology that is becoming less common and being replaced by other forms of technology. Policy 815, Acceptable Use of Internet, Computers and Network Resources, will address security and confidentiality for electronic communications. If this policy is determined to still be necessary, it might be better suited for administrative regulations. It is recommended the JOC vote to retire policy 715.
