

Erie County Technical School
Resolution Results

Resolution - Renovation Questionnaire

	Question 1 - Agree to Millcreek Township School District proposal to change the capital outlay formula	Question 2 - Agree to consider changing the capital outlay formula for the future if the change would not affect the currently proposed \$32.5M capital project	Question 3 - Agree to pay your proportionate share, based upon the current capital outlay formula, of the additional expenses, which would allow the ECTS to solicit bids on the \$32.5M capital project	Question 1A - If the answer to Question #1 is answered with "No" by any Participating School District of the Erie County Technical School, then the Millcreek Township School Board of Directors approves funding for the Erie County Technical School 2021 construction project of 36% of the total bid cost or \$9,900,000, whichever is less. The motion is in effect only if the capital funding formula for all future projects is changed to a participation formula before the start of construction.	<u>PennDOT Resolution</u>	<u>Notes</u>
