HR

Date: April 12, 2022

Please be advised that I intend to retire (or resign) my position as a Teacher Aide from the Erie County Technical School on January 20, 2023 after 11+ years of employment. I thoroughly enjoyed my time working with the administration, the teachers, but most of all with the students during my tenure.

Although I am leaving I will continue to be an advocate of the Erie County Technical School.

Sincerely,

Analee M. Cree
