Dear Mrs. Aiken:

Please accept this correspondence as notification that I will not return to school as the nurse for the 2022/2023 school year at Erie County Technical School. I plan to retire. I want to give you sufficient lead time for proper board action and to enlist the help and counsel of Mrs. Garofalo at GM General McLane as my supervising Certified School Nurse, if necessary, before this school year ends.

Regards,

Sharon Kresse RN
