Purpose

The Joint Operating Committee recognizes its responsibility for the safety of students, staff, visitors and facilities. Therefore, the Joint Operating Committee shall provide facilities, equipment and training necessary to protect against hazards and emergencies, including but not limited to natural disasters, hazardous chemicals, fires, weapons, bomb threats, intruders, terrorism, communicable diseases and pandemics. Advance planning, training, practice and comprehensive implementation are key components in protecting the safety and security of the school community.[1]

Authority

The center (school), in cooperation with the county Emergency Management Agency and the Pennsylvania Emergency Management Agency (PEMA), shall develop and implement a comprehensive disaster response and emergency preparedness plan, consistent with the guidelines developed by PEMA and other applicable state requirements.[2][3]

The Joint Operating Committee shall also utilize the resources of and comply with the requirements of the Pennsylvania Department of Health, the Pennsylvania Department of Education, and local law enforcement agencies.[4]

The Joint Operating Committee requires that emergency preparedness, emergency evacuation and school security drills be conducted at intervals required by state law.[3][5][6]

Definitions

School security drill – a planned exercise, other than a fire drill or natural disaster drill, designed to practice procedures to respond to an emergency situation that may include, but is not limited to, an act of terrorism, armed intruder situation or other violent threat.[5]

School Safety and Security Assessment – a strategic evaluation of a school entity’s facilities and programs used to identify potential safety and security threats.[7]

Delegation of Responsibility

The Administrative Director or designee shall collaborate with relevant stakeholders, including parents/guardians, students, staff, community agencies, local law enforcement agencies and first responders, during the development and implementation of the emergency preparedness plan.

The Administrative Director or designee shall implement a communication system to notify parents/guardians of the evacuation or sheltering of students and to alert the entire school community when necessary.

Annually, on or before April 10, the Administrative Director shall certify that emergency evacuation drills and school security drills have been conducted in the manner prescribed by law.[5]

In accordance with state law and regulations, the Administrative Director shall execute a memorandum of understanding with each local police department that has jurisdiction over center (school) property.[4][8][9]

{X} The Joint Operating Committee directs the

{X} Administrative Director or designee

{ } School Safety and Security Coordinator

to periodically complete a School Safety and Security Assessment in accordance with the provisions of law and established criteria, based on the needs of the center (school) and availability of funding and resources.[7][10]

Guidelines

Emergency Planning

The emergency preparedness plan shall be accessible in each center (school) building, be reviewed at least annually, and be modified as necessary. A copy of the plan shall be made accessible to the county Emergency Management Agency, each local police department and each local fire department that have jurisdiction over center (school) property. The center (school) shall obtain assurances from each appropriate agency that the emergency preparedness plan will be safeguarded and maintained confidentially.[2][3][11]

Appropriate information regarding the emergency preparedness plan shall be communicated to students, parents/guardians, staff, **participating school districts**, the community and other relevant stakeholders.

Annually, by September 30, the center (school) shall assemble information required to assist local police and fire departments in responding to an emergency. The required information shall be deployed immediately to the Incident Command Post in the event of an emergency incident or disaster.[2][3][4]

Schools and buses owned or leased by the center (school) shall be made available to local, county and state officials for emergency planning and exercises. [\[3\]](#)

Continuity of Student Learning/Core Operations

In the event of an emergency, local, county or state officials may require that schools be made available to serve as mass-care facilities. Local, county or state officials may also utilize center (school) -owned buses and other transportation vehicles. The Administrative Director or designee shall determine whether schools shall be closed, or the educational program suspended, to safeguard student and staff health and safety. [\[3\]](#)[\[12\]](#)

State officials may also direct schools to close in order to mitigate the spread of infection or illness in designated emergencies. [\[13\]](#)

The center (school) shall make provisions in the emergency preparedness plan for the continuity of student learning during school closings or excessive absences, in accordance with law. This may include, as appropriate, activities qualifying as instructional days for fulfilling the minimum required days of instruction under the law. Instructional activities may include: [\[14\]](#)[\[15\]](#)[\[16\]](#)[\[17\]](#)
