

Career Planning Coordinator Board Report February 2022

Career Planning

- CPC is working with instructional aides to monitor progress as well as the document completion of career requirements in student career folders.
- Working towards enabling students and instructional aides to keep documents/artifacts stored electronically.
- Second visits to AM labs are concluding with level 1 students completing Career Comparison activities on WIN and documentation being housed in Career Artifact Folders until the complete integration of CTE360 when documents can be stored electronically.
- **Occupational Objective Forms** are close to completion.
- Scholarship information continues to be shared with all students as opportunities arise.
- **Summer Shadowing Experience** is being planned for implementation starting this summer. This activity will require students that have completed level 1 to shadow a professional in their career cluster and complete a reflection about the experience.

NOCTI/NIMS

- All level 1 Precision Machining students have taken their first NIMS assessment.
- All Juniors will be taking the online NOCTI Pretest on afternoon of Tuesday, April 5th, 2022
- NOCTI written post-test will be administered on Thursday, April 21st, 2022 to all seniors.
- NOCTI Performance test will be an all-day event on April 26-28 depending on the given program.

Military Panel Discussion at ECTS

- Military Day has been rescheduled for Wednesday, March 30, 2022. It will be held in the Transition Center upstairs classrooms.
