

AGENDA ITEM

MEETING DATE: June 23, 2022

SUBJECT: Change Order: Fireproof of Wood Roof Decking

SUBMITTED BY: Joe Tarasovitch

DESCRIPTION: The wooden roof decking in the North and South hallways will require a fireproof application to be approved for fire code protection. Perry Construction will be monitoring the application; with CW Beal Inc. performing the application process. Approximately \$56,000 is the estimate to secure the fireproof of the wooden decking.

RECOMMENDATION: Motion to approve the change order for the Fireproof of Wood Roof Decking application.
