

Career Planning Coordinator Board Report

March 2022

Career Planning

- **Summer Shadowing Experience** is being planned for implementation starting this summer. This activity is the third and final piece of the *Individualized Career Plan* and will require students that have completed level 1 to shadow (or interview) a professional in their career cluster and complete a reflection about the experience.
- CPC is working with instructional aides to monitor progress as well as the document completion of career requirements in student career folders for graduation.
- Working towards enabling students and instructional aides to keep documents/artifacts stored electronically.
- Second visits to AM labs are concluding with level 1 students completing *Career Comparison activities* on WIN and documentation being housed in Career Artifact Folders until the complete integration of CTE360 when documents can be stored electronically.
- **Occupational Objective Forms** are close to completion.
- Scholarship information continues to be shared with all students as opportunities arise.
