MEETING DATE: May 26, 2022

SUBJECT: Future Ready Comprehensive Plan (FRCPP)

SUBMITTED BY: Joe Tarasovitch

DESCRIPTION: The Erie County Technical School's educational administrative team has complied the FRCPP committee teams informational sessions and have reviewed the pertinent data to formulate the school's Future Ready Comprehensive Plan for the following years – 2022 to 2025.

The plan will focus on two areas: NOCTI Testing Improvement; specifically for the special population students and Increase Community Communication from the school community.

The Future Ready Comprehensive Plan was posted on the ECTS website for the 28-Day public review requirement per the Pennsylvania Department of Education's protocol – April 20, 2022 to May 26, 2022.

RECOMMENDATION: Motion to approve and submit the Erie County Technical School's Future Ready Comprehensive Plan to the Pennsylvania Department of Education.
