

AGENDA ITEM

MEETING DATE: May 26, 2022

SUBJECT: Skills Center Water Line Project

SUBMITTED BY: Joe Tarasovitch

DESCRIPTION: Due to a leak in the water line from the High School building to the Skills Center building, the ECTS administration is recommending that the connection from the two buildings be closed/tapped, and a stand-alone water line be installed to service the Skills Center building. This project will be funded with unassigned capital funds.

Bids provided by Scobell Company Inc. and Spaeder Plumbing.

RECOMMENDATION: Motion to install stand-alone water line to the Skills Center with the lowest bid provided by Scobell Company Inc. and Spaeder Plumbing.
