Dear Ms Doty,

This letter is to inform you, that after more than 30 years of being a Para-Educator, of my intent to retire on October 1, 2021.

During my time at Erie County Technical School, I have been fortunate enough to accomplish many career goals. My greatest achievement, however, has been working with the students to help them meet their individual goals and inspire them to continue to succeed in life.

I wanted to also take this opportunity to thank all my co-workers for their continued support. Working along side them has been a joy and they will be dearly missed.

Respectfully,
