Subject: Updated Resignation

It is with a bittersweet heart that I am writing my official resignation from the Erie County Technical School.

I would like to deeply and sincerely thank the Erie County Technical School for the opportunities and education I have gained from being an alumni and an Instructor.

I have the most wonderful memories of the Cosmetology Classroom and a part of my heart will always reside in it. After all, it is where my journey to the beauty industry began.

I always thought I would be a lot older when I would be writing this, but life has a unique way of pushing us forward. The time has come for me to move on both personally and professionally. Although I am excited to see what the next chapter brings me, I cannot deny that I am also sad, leaving all the wonderful things and people from ECTS.

I will always be an advocate for ECTS and I know this is not good-bye forever. I am hoping to form a new partnership and with ECTS as I start my own Cosmetology Training School for post-secondary and on-going education for the Cosmetologist.

I am willing to assist and consult in transitioning my class to the new instructor.

My official last full week will be September 17th, 2021. However, I will be helping ECTS during their transition in hiring the new full time teacher, so my last day will be determined upon the hiring process.

Consequently,
Kayla Noonan
