

AGENDA ITEM

MEETING DATE: August 25, 2022

SUBJECT: Motion for Acreage Sale with the Results of the Wetland Delineation Assessment

SUBMITTED BY: Joe Tarasovitch

DESCRIPTION: The Superintendents of the Erie County Technical School consortium have reviewed the Wetland Delineation Assessment of the property and are inclined to proceed with the sale of 80 acres to a perspective developer. The action of the sale of the acreage will require a JOC motion to present a resolution to the participating school district boards for a vote of consideration.

RECOMMENDATION: Motion to approval the forwarding of a resolution to the 11 consortium School Boards for approval to proceed with the sale of acreage.
