Cat,

This letter is to inform you of my intent to retire from ECTS in the summer of 2023, or possibly sooner. It has been an honor and a privilege to be the Graphics instructor for nearly 22 years and to work with so many outstanding individuals. I am pleased to know that our graduates have benefitted from the vibrant, robust experience that is the Graphics program, developed from a sincere collaboration of professionals.

This is an exciting time for our school and I wish our staff and administration the very best in the future.

Thank you for having me. It has been my pleasure.

Joe Salorino
