Dear Management and Staff:

Congratulations to you and your business on being chosen as a 2022 People's Choice Award winner. As your State Representative for legislative District Two, I am thrilled to see all businesses both big and small, rewarded for making meaningful contributions to our community. These have been trying times for all and I commend your worth ethic and tenacity.

This award is even more special because it comes from the public. Local businesses and business owners like yourself are the economic backbone of this region. It is an honor for me to congratulate you and your business for its leadership. We wish you continued success and the best of luck moving forward.

Once again, thank you for your dedication to our community and congratulations on your award. It is through efforts such as yours that we can ensure a brighter future for our Commonwealth. To that end, if I can ever be of assistance, please do not hesitate to contact my office.

Sincerely,

A handwritten signature in black ink, appearing to read "Bob".
