

Career Planning Coordinator Board Report

April 2023

Career Planning

- **Struggles to Strengths.** We have completed two full sessions of the SEL/emotional support program. Planning is underway for the month of May and next year.
- **Occupational Objective Forms.** Due to technical difficulties we were unable to complete the process of getting all the signatures for the PA State form on line. We quickly implemented the paper process we have used in previous years and are collecting signed forms from students.
- Continue working with instructional aides to monitor progress as well as the document completion of career requirements in student career folders for graduation.
- Sharing information with sending schools regarding possible nominations for the C.L.A.S.S. Act Emerging Leader Award Scholarship.
- Working towards enabling students and instructional aides to keep documents/artifacts stored electronically.
- Visits to AM labs are concluding with level 1 students completing *Career Comparison activities* on WIN and documentation being housed in Career Artifact Folders until the complete integration of CTE360 when documents can be stored electronically.
- Scholarship information continues to be shared with all students as opportunities arise.

NOCTI/NIMS

- NIMS testing has completed for the year.
 - 9 Level 1 Precision Machining students completed the Measurement, Materials, & Safety credential.
 - 19 Level 2 and Level 3 Precision Machining students earned other various certificates.
- Pre NOCTI's were held for all Juniors on March 20, 2023.
- NOCTI written portion for Seniors will be Thursday, April 20, 2023.
- NOCTI Performance test will be all-day events on April 25-27 depending on the given program. See Attachment.

Arthur H. Spadafor Scholarship

- Tyler Chorney has been nominated to receive the Arthur H. Spadafor Scholarship. Tyler is an outstanding senior from General McLane in the Electrical Engineering Major.

Ethic Symposium

- The annual Ethics Symposium, sponsored by the Rotary Club of Erie will be held May 17, 2023 at Mercyhurst University. We have chosen 15 of our Juniors to attend.
