

NOCTI Testing at the Erie County Technical School-2023

The Erie County Technical School will conduct the 2023 National Occupational Competency Test- “NOCTI” test for the juniors and majority of seniors* according to the following schedule.

PRE-TEST JUNIORS

Thursday, March 30 – All **juniors** will take the on-line (written) pre-test during their scheduled session. During the PM session, seniors will NOT report to ECTS. We will provide virtual work to the seniors and the sending schools are asked to house the seniors for the afternoon.

SENIOR WRITTEN TEST

Thursday, April 20 – All **seniors** will take the on-line (written) post-test during their scheduled session. During the PM session, **juniors** will NOT report to ECTS. We will provide virtual work to the juniors and the sending schools are asked to house the juniors for the afternoon.

SENIOR PERFORMANCE TEST

April 25-27 - The seniors will be engaged with the “practical” test. The practical test will be an all-day event for many of the programs, therefore seniors will attend ECTS for the full day. Sophomores and juniors will be given virtual assignments for their program’s designated day.

The tentative schedule is as follows:

Tuesday, April 25	Wednesday, April 26	Thursday, April 27
Computer Networking	Art & Design	Auto Body
Computer Programming	Graphic Media & Design	Auto Tech
Drafting & Design	Health Assistant	Construction Trades
Electrical Engineering	Early Childhood	Cosmetology
Hospitality & Tourism	Culinary Arts	Facility Maintenance
	Metal Fabrication	

*A few of our labs require additional days of testing. A list of the students affected will be e-mailed to you closer to the test date. Precision Machining students will not have a Performance Test.
