

AGENDA ITEM

MEETING DATE: April 27, 2023

SUBJECT: Resolution for the Cosmetology Expansion

SUBMITTED BY: Joe Tarasovitch

DESCRIPTION: The Superintendents Consortium of the Erie County Technical School has completed an exploratory investigation of the Cosmetology Program enrollment and the consideration of developing an additional offering of the program to address the lack of opportunities for students due to the continual “Waiting List”.

The Resolution plan focuses on the schedule and funding allocation for the construction needs to accomplish the second Cosmetology lab.

RECOMMENDATION: Motion to approve the Resolution for the Cosmetology expansion and start for instruction for the 2024-25 School Year.
