Dear ECTS Administration,

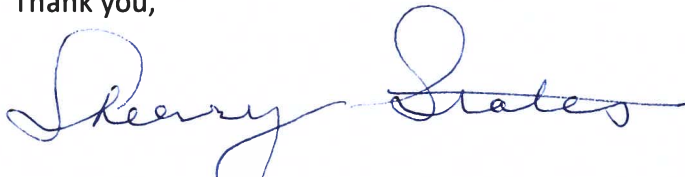

This letter is meant to serve as an official notice of my retirement from Erie County Technical School as the Health Assistant Instructor effective at the end of the 2022-2023 school year (June 30, 2023).

I wish to participate in the retirement incentive (rolled over to a 403(b)), life insurance and coverage under Act 110 (24 P.S. 5-513) and the professional unit contract (Article VII) from the collective bargaining agreement.

I am excited about my impending retirement and wanted to take this moment and thank ECTS for all of the opportunities over the last 32 years that I have experienced working as an instructor in the Health Assistant Program. After much deliberation, my decision wasn't an easy one.

I will continue to be a strong advocator for CTE and the students who choose to participate in this type of learning environment. I wish nothing but the best to ECTS and the wonderful staff going forward.

Thank you,

A handwritten signature in blue ink that reads "Sherry States". The signature is fluid and cursive, with the first name "Sherry" and last name "States" clearly legible.
