

Good afternoon,

Please accept this letter as an official letter of resignation, effective at the end of the 2022-2023 school year. I will be finishing the year through June of 2023. I will happily have everything organized and ready for the next instructor.

With my intentions to leave not being based on a dissatisfaction of the job, I would like to stay on in a small capacity. Please keep my information on file as an industry sub. I would also like to become a member of the CMN OAC. I will be remaining an instructor at the Community College and would be amenable to assisting however I can in that regard as well.

I enjoyed my time here, but now look forward to expanding our family – if you hadn't heard, Joe and I are foster parents looking to permanently adopt a young child. I hope to keep this somewhat under the wraps from my students until after NOCTI. I will announce this to my students May 1st.

I do not know what the future holds, and hope that one day I will be a part of the ECTS family again. In the meantime, I will be home building that family for a short while.

With warm regards,
Toni M. Mazanowski
