SUBJECT: Perkins Improvement Plan to Address Sanction Letter

SUBMITTED BY: Joe Tarasovitch

DESCRIPTION:

The Erie County Technical School's Educational Leadership Team recommends that the Joint Operating Committee supports the Perkins Improvement Plan (PIP) to address the Sanction Letter forwarded by PDE dated May 5, 2023. The Sanction Letter identifies three Performance Indicators that the Erie County Technical School has not met the 90% threshold for success; 2S1-Keystone Literature; 2S2-Keystone Algebra; and 5S1-Recognized Post-Secondary Credential. The PIP will require a collaboration with the Sending School Districts for 2S1-Keystone Literature and 2S2-Keystone Algebra which will be led by the ECTS Educational Leadership Team.

RECOMMENDATION:

Motion to adopt the Perkins Improvement Plan to Address the Sanction Letter dated May 5, 2023 starting in the 2023-24 school year.
