PROPOSED AGENDA ITEM

MEETING DATE: June 22, 2023

SUBJECT: Auditing Firm Recommendation

SUBMITTED BY: Jessica I. Garnica, Business Manager

DESCRIPTION:

An RFP for auditing services was issued and there was only one CPA firm who responded interested in performing the Erie County Technical School Audit over the next three-year period. After comparing the fees with other firms, the business manager's recommendation is to continue utilizing Buseck, Barger, Bleil & Co., Inc.

RECOMMENDATION:

Motion to continue utilizing Buseck, Barger, Bleil & Co., Inc. for the completion and submission of the foundation's 990 at the current cost of \$500 due to having the experience and knowledge of our school as our auditors for the past 8 years and ECTS administration turnover
