Subject: new position

Goodmorning

I'm writing to inform you that I will not be returning to ECTS. I do not feel that the position is suitable for me. After careful consideration I have decided to seek other employment. Thank you for your consideration in offering me the position. please let Matthew know I appreciated being offered the position. and Cat thank you for all your help. I will come up to the school sometime today and return the keycard.

Sincerely,
Cathi Lewis
