The Joint Operating Committee shall ensure that children of military families have equal access to the same educational programs, activities and services provided to other center (school) students.

Delegation of Responsibility

The Administrative Director shall be authorized to waive specific requirements in Joint Operating Committee policies, procedures and administrative regulations to the extent that they create barriers for the admission, placement and attendance of children of military families. [6][7][10][13][16]

The Administrative Director or designee shall collaborate with the military family education liaison designated by the State Council, center (school) staff, the student's school district of residence, other school entities, local agencies and other entities in supporting the needs of children of military families.

Guidelines

Children of military families admitted to the center (school) shall be provided support and services, as appropriate to each individual student's needs, in accordance with the Compact and Joint Operating Committee policy.[17][18][19][20]

NOTE:

The definition of "uniformed services" in the Pennsylvania Interstate Compact on Educational Opportunity for Military Children Act (24 P.S. 7301 et seq) currently differs from the federal definition of "uniformed services" (10 U.S.C. 101) since the federal definition has been updated to reference all branches of the U.S. armed forces, including Space Force. PSBA suggests considering the option aligning with the current federal definition (second option), to address the provision of educational opportunity for children of all active duty members of the armed forces, despite the technicality in differing definitions. This is a local decision that the Joint Operating Committee may discuss with the school solicitor.
