

Dear Cat,

I am writing to formally resign from my position as Computer Networking Instructor at Erie County Technical School, effective June 7th, 2024.

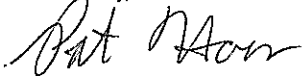

I have enjoyed my time at ECTS and am grateful for the opportunities I have had to grow both personally and professionally during my tenure. I have learned a great deal from my colleagues and have truly appreciated the support and camaraderie within the team.

After careful consideration, I have decided to pursue different options for my own growth and well-being. This decision was not made lightly, but I believe it is the right step for me at this point in my career.

I am committed to ensuring a smooth transition during my remaining time here. I will do my best to complete any outstanding projects and documenting curriculum changes to facilitate a seamless handover.

Please do not hesitate to reach out if you require any further information or assistance during this transition period. Thank you once again for the opportunity to be a part of ECTS. I wish everyone at the school continued success and prosperity in the future.

Sincerely,
