Mr. LaVerde,

I wanted to reach out and send a quick thank you to your school, in particular to the metal fabrication class run by Mr. Lyle Taylor. Earlier today, Mr. Taylor used his expertise to repair a windmill that was damaged in a recent storm. In 20 minutes he was able to restore it to full functionality which will continue to serve as a reminder of the need for welders in todays world.

Thank you so much,
Ben Claypool
