Dear Mrs. Lesa Scalise,

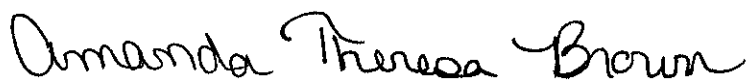

It is with deep regret I need to inform you that I will not be returning to Erie County Technical School due to a pressing family need.

My tenure here at Erie County Technical School has been a highlight of my career and I will truly miss the students, staff and my ability to help those students in need.

I appreciate the opportunities that were afforded to me while working here at Erie County Technical School. My hope is that should my family need change in the future consideration for my reemployment would be made.

It is with a heavy heart I respectfully request you accept this resignation.

Sincerely,
