We sent mid-term grade reports of students with disabilities to the special education teachers, case managers and guidance counselors. Lesa and Sandy will follow-up with students that have grade and attendance concerns.

Instructional Aides

We welcome back Pat Tech and Eileen Rosa.

Instructional aides participated in literacy professional development with Debra Cullin of the Southern Regional Education Board on the afternoon of December 10th.

All of the instructional aides continue to demonstrate tremendous flexibility and professionalism as they support students in the labs. We are fortunate to have such a knowledgeable and dedicated groups of individuals supporting our students.

Lesa attended the PACTA Cooperative Education Conference on October 17-18 in State College.
